The total bill is \$900.00 **New Business:** There have been numerous calls to members of the town board about dust levels and excessive speeds on Pickerel Creek Road and Pickerel Lake Road. The town is very close to closing all town Roads to ATV's. If this happens our club has wasted seven years of hard work. o The Club has requested to any member and especially Certified Trail Patrol persons to be vigilant on the trails especially during the upcoming holiday weekend§ Pat Girtz patrolled Pickerel Creek Road a total of ten hours, in those ten hours she saw 19 atv's. She did inform one group about the state laws for excess speed .§ Side Note: Someone was arrested in the Parish Highlands area for not following the state law of 10 mph 150 feet of a dwellingo The Club has also purchased a camera to place on problematic trails.o The Highway Commissioner was contacted and suggested an arrow change by the stop sign on Pickerel Creek road, The club has taken care of that as well as posting a state law sign on the woods side of Pickerel Creek Road, stating 10 mph within 100 ft of a person or 150 feet of a dwelling.o The club has also salted Pickerel Creek Road at problem areas, and has done some salting on Lost Lake Road near dwellingso The club will order more salt (50 bags) to have on hand to address problems with dust immediately.o The Club also conducts an ATV Safety Class for anyone over 12 years old. The club also emphasizes that parents attend with their child so they are informed also.o A motion was made by Dan Wierschke to send all current and past club members an e-mail advising them of the situation of our club potentially losing access to Town Roads. Pat seconded the motion, all approved and motion carried. · There are 26 students currently registered to attend the ATV Safety Training Class, being held on Saturday and Sunday of Memorial weekend. It will be held at the Tombstone Pickerel Snowmobile Club starting at 8 am. o Pat requested that the club furnish each participant a club neckerchief, Dan Wierschke made the motion, to approve Pat's request, seconded by Keith Verhagen. All approved, and the motion was carried. · Check Point in Bryant, approached the County to have a trail approved to connect Bryant to the Augustine Trail via Hill Road. The county rejected the proposal as Hill Road, is too hilly, narrow and unsafe. · We have money from the Forestry Department to spend on trail

repairs. It was suggested that bids should be submitted by both Scott and Steve, to fill in the holes on the trail behind Schroeder's . Dan Wierschke asked Pat to get a clothing inventory by next meeting, she has agreed to have a report ready for June meeting. White Lake has asked our club to join them selling food at the Fair Grounds, Antigo, being held on August 17 & 18, for a WATVA sponsored equipment demonstration. We will split the profit of the food with the White Lake Club. **We will need volunteers to help out for a few hour shift each day!
