**Trail report:**

- Request for bids to the smoothing out of trail between Hummers and Cty Hwy T have not been submitted as of date. Permission from the landowner has been granted to do the work
- The Donovan's from Trailside Inn have gone to the town board, requesting to get Cty Hwy T from our trail to State Hwy 55 open. They are now going to the County Highway Commission for permission; members of our club will represent the club, with a memorandum to cover signage costs if that segment of Cty Hwy becomes available to ATVers.
- The residents of South Shore Drive are attending a town meeting to see if that segment of road will be opened to ATVers.
  - (foot note: That segment of road has been approved to be opened)
  - The route is not legal to ride ATV's on until all signage is up.
- Dan Wierschke will check to see who has "trail map" boxes, and which ones need more maps. He will also collect any donations from those boxes.

## OLD BUSINESS:

- Free Day was a success, one of the reasons being that it was advertised more, thanks to Hummer. Our club along with White Lake, and Parrish Highlands offered free hamburgers and brats. The donation jar covered our costs. Our club picked up some new members and sold some clothing.
- Raffle ticket sales are slow, please if you are willing to sell some, please contact Hummer for a few tickets. In the near future, hopefully we will have two segments of roads to sign: Cty Hwy T (depending on approval) and South Shore Road. This raffle will help defray our costs.
  - Tickets for the meat raffle (a chest freezer and \$400.00 worth of meat) were handed out for club members to start selling. Raffle will take place on September 13, at Rick's Roadhouse. Ticket cost is \$20.00

## New Business:

- The Treasurer's position is more than Hummer has time for. Thus, he has submitted his resignation (he is still our Vice-President) Mary Ann Wierschke was nominated and she has accepted. She will act as temporary treasurer until another volunteer is found.
- Tammy from the Forestry Department has resigned. We wish her well in her new endeavors. A replacement has not been named as of yet.
- We are out of club hats. Jan Fischer will order another 96 hats. They will be on sale at Hummers.

## Club Rides:

- The ride to Wabeno to Support the Forest County ATV/Snowmobile club was successful. We left with 23 riders. A few of the lucky ones won meat and cheese at the meat raffles. We ate lunch, gassed up, on the return trip stopped at Frog Alley, before coming back home.
- The July ride will be held on Thursday, July 24<sup>th</sup>. We will ride the Dunbar/Goodman trails. If you are joining us, we will trailer from Hill's Still at 9:30 am. When we arrive, there is a public area to park just before Dunbar. We will travel south to the Northwoods Bar for lunch, then get gas near Jungle Jim's before heading back north. This will be a full day of riding. These trails are basically sand, which equates to dust, so don't forget to pack your goggles and dust masks.
- Future rides: (Details are still being worked on, so watch for exact times and locations)
  - **August** (3<sup>rd</sup> Saturday) - ride to one of the shelters in the Parrish Highlands system for lunch - sponsored by the club.
  - **September**... working on a moon light ride to White Lake, leaving around 4pm dinner in White Lake then returning to Hummer's

Dan Wierschke made a motion to adjourn, Hummer seconded it the motion was approved and carried.

Next meeting will be held on July 21 at 9am at Hummers.
