Trail report:

- Dan asked Town Chairman, Dick Gunther, if it would be possible to put an apron on the trail at the corner of Forest Road & Hwy 55. ATV's are continually breaking off the blacktop when getting on Forest Road. The club will pick up the additional expenses of the apron.
- Due to a late start this spring, the excavators are backed up, the trail between hwy T and Hummer's will be smoothed out later this summer.
- Opening County T to Donovan's Trailside Inn is on a temporary hold, as one of the county board members talked to maintenance personal at the Boy Scout camp and was told there might be a possibility of using the camp property instead of Hwy T. According to Boy Scout District personal; as in the past, the camp property is not available for ATV trails. So we are now back to square one.

- Signs are being printed and will be put in place on South Shore Drive as soon as we get the OK from Digger's Hot Line.

OLD BUSINESS:

- Raffle ticket sales are slow, please if you are willing to sell some, please contact Hummer for a few tickets. This raffle will help defray our costs.
 - Tickets for the meat raffle (a chest freezer and \$400.00 worth of meat) were handed out for club members to start selling. Raffle will take place on September 13, at Rick's Roadhouse. Ticket cost is \$20.00

New Business:

- More club hats have been ordered and can be purchased at: Hummers, Pickerel Point or Walleye Lodge.
