Trail report:

- The problematic area on Lost Lake Road has been salted. The bags of salt along with the spreader are currently being stored at Wierschke's.
- Dick Gunter, Town Chairman has contacted the road crew working on Forest Road; they will put an apron where the blacktop is continually breaking off by Atvers getting on to Forest Road. The cost to the club should range between \$200.00-\$300.00
- Bids are in for the work to be done on the trail between Cty Hwy T and Hummers. It should be complete this year. We will pay for the work; then be reimbursed by the Forestry Department.
- South Shore Drive:
 - Signs are being printed and will be put in place on South Shore Drive as soon as they are ready.
 - The cost of speed limit signage is being kept down, as Troy is re-covering signs that we had in inventory.
 - Garth Luebke volunteered to contact Break-a-Way, Jeckl & Hydes and Firelite for associate memberships, as their businesses will be enhanced with an ATV route leading to their establishments.
- CTY HWY T

- Our request to get the section of Cty Hwy T open from where the trail turns toward Hummers to Hwy 55, has been denied by the Langlade County Highway Commissioner.
- We are landlocked to the north, because of the Boy Scout Camp and we are landlocked to the south because of a marsh and creek.
- It was decided to re-open our request, by conducting a signature campaign to get that section of road open on a trial basis. **PLEASE, we ask that you stop at Trailside Inn, Hummers, Schaeffer's Country Store or Walleye-lodge to sign the petition.**
- Pat Girtz will also look into a traffic counter to be placed on that section of road, as the Hwy Department says approximate 1,400 cars use that road on a daily basis. Hummer and Pat think that number may be excessive.
- On a side note, not only opening the listed section of road has the potential to enhance Trailside's business, but will also enhance our club, as we will then be able to advertise we have trail access to overnight stays.
- Some of the signs on Pickerel Lake Road are broken or missing. Keith Verhagen will let Pat Girtz know what he needs to replace the signage.
- Areas in Augustyne Springs are getting bad. Eric at the Forestry Department will be made aware of the situation.
