OLD BUSINESS:

None at this time

NEW BUSINESS:

The Town of Langlade has opened all town roads to ATV's. This is getting closer to making the connection from here to Lily. Members from the White Lake ATV club attended our meeting, and stated a grant was being issued to fund some of the route. They also asked for a donation from our club at this time. It was suggested by Jan Fischer, whose township just went through this process; to mail a letter to the town residents asking for donations. It was also decided that the White Lake Club needs to see how much the Town of Langlade residents are willing to pay, if the White Lake Club will receive a grant and how much they are contributing, and the total dollar amount they are asking from our club. Jack Andraschko, stated as a club, we need to take a wait and see attitude, as the trail to Jack Lake is being considered to open. If the grants that were applied for do not come through, we may need to take quite a sizable amount from our treasury to fund that trail.

It was brought up that the Langlade County Board, Highway committee are re-assessing all open town roads. Jack will represent our club at this meeting.
