Lil Hummers

The June, 2017 meeting of the PickereI Pearson Wolf River Riders was call to order at 9:00 a.m. by Vice President Lil Hummer.

April meeting minutes were read by Mary Ann Wierschke. Motion by Hummer.to accept the minutes and second by Sheila Yeager. Motion carried. The minutes were approved as read.

Treasurer's report was given by Jan Fischer:

Checking Balance	\$7842.19
Savings Balance	\$ 8942.45

Motion by Dan W. to approve treasurer's report as read; second by Ron. Motion carried.

Membership report:

Report was read by Mary Ann in Mike Glasheen's absence. (as of this writing Mary Ann misplaced the read report) Membership will be updated at July Meeting.

Trail report:

- The trail connecting the east and west sides of 55 has been re-established. In order for it to be opened the Town of Ainsworth had to approve opening Forest Road. Landowner's permission was sought and approved. Steve Bailey was

hired by club to excavate the trail. The trail still needs a little fine tuning, and that will happen later in the season. Our club strongly enforces all riders to respect and be considerate of the residents and cottage owners along Forest Road, as if we lose this connection we have NO other recourse.

- A question arose if we are going to do anything on the other side of County Road "A". Dan will check out and report back next meeting.
 - It was also a concern that the 10mph speed limits are knocked down along Pickerel Lake Road. It was noted that the 10mph speed limits have been lifted by the state; UNLESS you are riding past a person not on another ATV/UTV, or domestic animals, or if you are riding within 150 feet of a residence. Dan and Jack will check on and replace other signage.
 - Signs on Lost Lake Road have been removed or re-placed, by someone other than those on the Trail Committee of our club. It is illegal to tamper with any road signage placed on any road by our club or the town. In moving forward, all of Lost Lake Road is open to ATV/UTV's, from Hwy KK to State Hwy 55. (It is illegal to ride on State Hwy 55.) Dan will check out signs on Lost Lake Road.

Keith made motion to approve Trail Report, Jan seconded motion. Motion carried.

OLD BUSINESS:

- There was a good turnout for the June (Free) days at Hummers. Jack had quite a few new club memberships as well.
 - Hummer will research the idea of the White Lake Club to take part of the responsibility of the Polar area and our club will take responsibility for the other half of the trails to the north.

NEW BUSINESS:

- The Nicolet trail has been re-graded and is smooth from Lily to Crandon.
- It has been noted that business memberships are down. It was suggested that someone go to our businesses and ask them to become associate members. A few of our club members generously offered to visit businesses. They will report in next meeting.
- Watch details at our next meeting for a club ride to Watersmeet, Michigan (stay at casino over night and return next day)
