Trail report was given by Dan Wierschke:

- The property owners of the trail between Cty Hwy T and Hummer's are expressing concern that they want that section of trail closed. That situation is being worked on by Hummer and Jack.

- Jack will again approach the land owner of the new trail connecting Forest Road and the county land, if he will reconsider his decision to close the trail.

- The Forestry Department will contact our club when they are ready to sign the new trail to Summit Lake. Jack will then get helpers involved with the signage

- The Langlade County Board's Highway Committee has passed a motion that any requests to open county highways can only be submitted during their September Meeting.

- o That means our hands are tied until September for the following requests:

- ♣ Cty Hwy DD - which would connect Forest County to Pickerel

- ♣ Cty Hwy T – which would give access to Longshots, and Trailside

- ♣ Cty Hwy TT – which would give access to Hummer's, Augustyne Springs, White Lake, etc in the event that we can't get the private landowner to reconsider opening the trail.

- If you don't agree with this, or want things changed, and are a tax paying property owner in Langlade County, here's how you can help. Please give the County Board Highway Commission committee a call; Remember: Langlade County promotes their agenda as "County of Trails."

- ♣ Highway Commissioner- Brian Braun 715-267-6272

- ♣ County Board Highway Committee Members:

- Chair—Richard Hurlbert 715-623-2976

- Richard Schuh 715-275-3882
