

The June 19, 2021 meeting was held at longshot's bar at 9 a.m.

We have 5 new members & 102 total club members. Dan Wierschke seconded the membership report.

Jamie showed off the apparel that was available. The Spring orders were all completed May 21st. The Fall orders will be available in September.

The club raised \$2,099 on the Memorial weekend, which half will be donated to Pickerel Rescue squad & half us the club keep.

Jamie Prouse (president) presented the check to Lynn verhagen (Pickerel Rescue squad member) for total amount of \$1,050.

An anonymous person who won the \$950 on the Schuh's ATV- UTV Poker Ride, was nice enough to donate it back to the club, half we will be donated to Forest County Humane Society.

Jamie stated that \$1,500 that we raised so far this year from fundraising should be good for this year. Everyone in attendance agreed, this is going towards the signage of the county roads last year.

We all agreed not to have any club fundraisers on holiday weekends.

Jan mentioned to get the trail by Walleye turned into memorial trail for Marty/Wanda. (Bobby Birschbach)

Dan Wierschke motioned it & Lynn Verhagen seconded it.

Jamie motioned to donate \$100 for a hole at the Mike Pomasl Memorial Golf Outing. Everybody agreed.

Jamie made a motion to make a donation to the Lion's Cub Golf outing. Everyone seconded it.

We also talked about who also made the donation boxes for the club, which he always does for nothing. Jamie made a motion to donate \$50 to him, we all agreed.

The club now has their own credit card for club business.

Members stated that there is a lot of ATV/UTV traffic on highways that are not open especially HWY 55. We could put up more signs, though it probably won't help.

ATV/UTV wrecking private food plots are risking the trail being shut down between Pickerel Lake Road & Hummers mainly. Club needs to put up a snow fence, which we hope will eliminate this problem & keep our trails open.

Please Respect our trails & property owners, Help keep our trails open.

Saturday June 26th is the Northwoods Poker Run sponsored by Parrish Highlanders & Fischer's Bar if anybody is interested. Trail ride/ Demos

The next meeting is at Deb's Northern Firelite Supper club on July, 17 at 9 a.m.
