- The Summit Lake trails have been cleared.
- Gates & posts will be used on the trail that crosses Mallitz property, hopefully preventing trucks & other vehicles from using the trails.

Old Business:

- Hummers Benefit—7:00pm
 - Our club still needs volunteers to help—contact Jamie if you can help out
 - A lot of raffles: deck of cards raffles for higher ticket items, basket raffles
 - Our club will donate 2 hats, bandanna, & free membership form for a basket raffle
 - Motion was made & approved for Jamie to use \$200 of club funds as start up money for the food stand, then it will be returned to the club after stand closes
- Fall Club Color Ride
- Because of the Packer game on Sunday, it was decided to have the trail ride tentatively set for October 3
- Jamie will check with Country Inn to see if this is feasible:
- Group will leave Country Inn at noon to enjoy the fall colors
- Returning to Country Inn before 3:45 (when the game starts)
- Half time – Country Inn will be serving either a chicken dinner or a lasagna dinner to include salad & desert for \$10 per person

New Business:

Lynn Verhagen noted that the DNR has been sitting by Pickerel Lake Road by the public boat landing.

She also noted that atvs/utvs aren't allowed on any state highway, although it has been observed that some are riding State Hwy. 55 mainly between A & Pickerel Lake Rd.

After much discussion , In order to keep our trail system open, We will make signs 11 x 14 posterboard to display at all local businesses. The posters will remind riders of the most common state ATV/UTV laws that aren't being followed. Jamie will work with Pioneer Express to get the posters made.

Next Meeting is September 18th at Schuh's at 9:00 A.M.
