Project Vision Report was given by: Jamie Prouse

Talked about building a shelter at the trailhead on Hwy A

Grants may be available through the Forestry Dept. for this project. This will be sought after on an ongoing basis. Would be a great idea in case of a need for an emergency or just to take shelter from a storm or charge phone etc.

Open Agenda:

Todd Head/Matt Kerzisnik suggested having double sided signs with club logo when entering, (welcoming riders to Wolf River Riders ATV/UTV Club trail systems) and other clubs information on other side.

We had a 50/50 raffle this meeting which went over very well and plan on doing again at our future meetings. \$185.00 won and he donated \$40.00 back to our club; also we had a Fireball bottle winner and a \$20.00 bill winner.

Larry Hill and Joe Nelson volunteered to organize club rides for this season in conjunction with our monthly Saturday meetings. (Rides TBA)

We encourage all to attend! *Remember, together we trail and divided we fail.*
