Club voted on getting 3 of each design of 4 to start out with and see which ones will be liked the most before ordering more. We have them now and will be ordering more of the ones that most liked.

**Presidents Notes:** Monday night Town of Langlade County meeting, we will find out if they will sign a resolution to drop the speed limit on Hwy 55 to a 35 mph thus allowing for ATV/UTV to be able to use that stretch of Hwy 55 between Hwy DD and trail off Chip n' Dale Ln. We will then be able to approach the landowner (Robert Lee) for use of his property and Langlade Counties approval and state highway approval. This is going to be awesome!!!

Jamie Prouse – wanted to order 6 signs for new roads open in Langlade County @\$40.00- \$50.00 ea plus \$65.00/hr labor. 2 were approved for Hwy TT only at this time.
